

The Town of Hamilton is a community that:

Protects...

...and preserves our valuable local history, including rich agricultural and equestrian traditions.

...the natural landscapes that give Hamilton its unique beauty and visual character, as well as sensitive environmental resources.

... the ability of households of all types to call Hamilton home.

Grows...

...our downtown into a vibrant destination for business, culture, recreation, and transit, with easy access between points of interest.

...our local business community and housing stock while proactively planning for well-designed and environmentally sensitive development.

...our local network of public access trails, paths, and sidewalks to help people experience Hamilton without needing to rely on cars.

Provides...

...safe and adequate utilities, roads, and accessible public spaces for its residents.

...high-quality and up-to-date public schools and municipal facilities.

...robust public recreation programs and facilities, especially on public open space.
